"Jenna"

My name is "Jenna" and I'm told that I'm an adult Shepherd/Chow-Chow X. I'm healthy, have an excellent disposition although I don't think I could be in a home with cats as one of my favorite activities is going outside to chase lizards, and any other small animals including cats! I can along with another dog as long as it was a rather sedate dog that could keep me company. I have a gorgeous coat that needs to be brushed during shedding season. I would living with a family that loved outdoors activities and then we could all hang out by the fireplace at nighttime. If you are that special human, give Sugarland a call and we can arrange a meet and greet.
