"Missy"

Hi my name is "Missy" and I'm a rather small but gorgeous adult Bull Mastiff. I'm looking for that very special family without kids, I tend to be a little shy and haven't tolerated small children as they pulled on my ears and I didn't like it. I love to take walks, ride in the car and lay by the fireplace on cold days and nights. I'm so very sweet, spayed and current with my shots. I might be able to get

along with another doggie or cat but prefer being the only dog in the house and I don't think I remember what a cat is but likely would chase them I think. If you are looking for that special "Bully Girl", give Sugarland a call and we can arrange a special meet and greet.
